

N° 9730

The N° 9730 series of door viewers have a chamfered face on both the interior and exterior ends, making them suitable for a variety of décors. Available in viewing ranges of 120° and 190°, these viewers can also accommodate doors from 1-3/8" to 2-5/8" thick. They are UL-listed for use on fire doors rated at 90 minutes. Manufactured of solid brass with a glass lens, the 9730 series is available in a wide variety of plated and patinated finishes.

Diameter: 5/8" 1-1/32"
