

N° 9810 1O

The N° 9810 1O rectangular outlet plate has stepped bead molding around the edge with a small cove forming a transition to the face of the plate. The restrained classic design gracefully contributes to the level of finish of an interior, whether traditional or contemporary. Finishes available include polished brass, polished nickel, silver, and dark oxidized bronze.

Height x Width: 2-3/4"x 4-3/4"
