Nº 9810LT2

The No 9810LT2 rectangular switch plate has stepped molding around the edge with a small cove forming a transition to the face of the plate. The classic design gracefully contributes to the level of finish of an interior, whether traditional or contemporary. NANZ manufactures any switch or outlet configuration and will make custom plates for elevators, intercoms, or other technical devices. It measures 4-1/2" x 4-1/2", 4-1/2" x 5-3/4", 5" x 6-1/2". It is offered in all NANZ plated and patinated finishes.
