

Shower Set 36

The Nanz Thermostatic Volumetric Shower control is manufactured in solid brass and features FLUHS ceramic valve cartridges. The shower set is pressure balanced and includes a patented anti-scald mechanism. In addition a safety feature requires button activation to reach the hottest temperatures. Matching bath and basin fittings are offered, as are coordinating bath accessories and cabinetry. Selected examples appear below. Combining the neoclassical lexicon of the octagon and the ogival curve, the Nanz Octavio collection is a popular choice for both traditional and transitional interiors. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification.
