

### RAL 2003

For certain special projects, our clients have elected to order hardware that combines materials and finishes in imaginative ways. We've worked with wood, leather, stone, crystal and precious metals. We can also powder coat hardware. As one might imagine the possibilities are endless, so we have simply provided an edited selection of the materials and finishes we offer. While combinations are somewhat intuitive, there are certainly limitations. We ask you consult a member of our team about achieving your ideal handle and we will work creatively to make it happen.
