

Shower Set 39

The Nanz Thermostatic Valve is manufactured in solid brass and features FLUHS ceramic valve cartridges. Matching bath and basin fittings are offered, as are coordinating bath accessories and cabinetry. Combining the neoclassical lexicon of the octagon and the ogival curve, the Nanz Octavio collection is a popular choice for both traditional and transitional interiors. A variety of bath friendly finishes are offered. Contact one of our offices for more information and assistance with specification.
