NANZ®

The American Moderne-inspired Art Deco collection focuses on intersecting stacked planes and recalls Donald Deskey's work and Raymond Loewy's streamlined designs of the 1920s and '30s. It has been a symbol of luxury and craftsmanship and corresponds to many major works in America in the first half of the 20th century. The Nanz Tri-Mount Short Basin Deck is manufactured in solid brass and features FLUHS ceramic valve cartridges. Our sets may be customized by choosing from our varied range of handles, spouts, bells, bonnets and rod finials. Matching bath and shower fittings are offered, as are coordinating bath accessories and cabinetry. A variety of bath-friendly finishes are offered. Contact one of our offices for more information and assistance with specification.
