

N° 15.10

The backplate of the Functional two-post paper holder is reduced into its essential form. A slight curve at the top gives this holder an elegant flair and makes it suitable for a variety of interiors. The spring-loaded Delrin spindle provides strength without being too heavy. A single-post version is also available. A comprehensive suite of aesthetically related bath hardware is also available, including towel rings, robe hooks, and glass towel rods, as are twelve Nanz plated and patinated finishes.
