

## Billy Cotton's Cribbage Board

The polished aluminum cribbage board from Billy Cotton's luxury gift range was designed in collaboration with Julian Goldman and The Nanz Company. Manufactured to order at the Nanz factory in New York, this unique set features pins that are jeweled in lapis, jasper and malachite. The top of the board pivots to reveal cards and a pin holder. A special gift for anyone who loves to strategize and socialize.

16.5" Long x 5" Wide, 2.75" Tall
