NANZ

N° 1007

The No 1007 oval knob reflects the International Style of Modernism of the 1920s and 1930s, finding aesthetic value in the paring down of forms and the use of industrial materials such as steel for furnishing domestic interiors. A single step joins the knob to the straight shank and a cove detail meets the simple flaring rose, updating the classical profile and molding details of the NANZ traditional oval knob. The knob may be provided in 2-5/8" x 1-3/4" and 3-5/8" x 2-3/8" sizes, and it is also available in sizes 1-5/8" x 1-1/8" and 2-1/8" x 1-3/8" suitable for cabinetry. Alternative rose designs are also available for this knob. Full mortise entry locks, privacy locks, passage latches, as well as tubular latches may be provided for use with this knob. Recommended finishes include polished nickel, satin nickel, dark oxidized bronze, pewter and antique brass. In addition, all NANZ plated and patinated finishes are available.

DIAMETER	2-5/8" x 1-3/4"
PROJECTION	2-5/8"
