

NANZ

N° 6830B

The No 6830B pull has multiple swells ending in beaded knurls to create a bold decorative element. The pull is available for full-sized, shower, and refrigerator doors and can be used in back-to-back configurations. A smaller version, the No 8830B, is available in lengths suitable for cabinetry. The pull, shown with beaded detailing is also available plain or with roped knurling. It is offered in all Nanz plated and patinated finishes.
