

No 6938

Thru-door pulls are flush on three sides, and accordingly low-profile. The No 6938 pull may be used on passage pocket doors. While initially specified for modernist interiors, designers have recently embraced thru-door pulls for traditional and transitional interiors. This listing is for a pull compatible with 2" thick doors.

Collection: American Revival

Height x Width: 6" x 3" for 2" Thick Door
