

N° 7730

The No 7730 full mortise passage latch set for knobs is based on an interior mortise lock design manufactured in New England in the early 20th century. The lock shares the same measurements with the interior privacy lockset. It also shares a common mortise size for ease of door preparation. The bevel of the faceplate is adjustable for thicker doors. A strike plate and wrought metal dustbox are provided. All Nanz plated and patinated finishes are available.

Height: 6"  
 Width: 1"  
 Depth: 2-1/2" 2-3/4"
