

## N° 8058R

The San Simeon collection is an homage to Julia Morgan's work at San Simeon's Hearst Castle. The collection exudes the signature elements of Morgan's approach to architecture - embracing outstanding craftsmanship with a keen attention to scale, proportion and detail. A roped knurl rings the circumference of the N° 8058R cabinet knob. The face of the knob features an ogee leading to a central boss. Finished to order in a wide range of finishes.
