

N° 83240

The No 83240 edge pull is defined by its austere angles and fine lines. The edge features an extended full-round detail that hangs over two exposed fasteners on the backplate. The No 83240 is available in two sizes. All NANZ plated and patinated finishes are available.

Length: 3" 5"

Height: 1" 1"

Projection: 1-1/16"
