

N° 8428

The No 8428 cabinet knob, a stylish conflation of modern minimalism and traditional ornament, recalls the drum-shaped knobs of the turn of the 20th century. A cove rings the straight sides, and the face rises in a shallow cone. The cabinet knob is available in five sizes. It is often specified with the companion No 1228 knob. Finished to order in a wide range of finishes.
