

N° 20.20

The N° 20.20 Adam Oval soap dish holder recalls the early colonial period with its classically proportioned, ovolo-edged backplate. The off-white, oval dish incorporates three interior ridges to prevent soap from dissolving in excess water. Manufactured in solid brass, the holder is available in twelve Nanz plated and patinated finishes. A comprehensive suite of aesthetically related bath hardware is also available, including towel rings, robe hooks, and glass towel rods.
