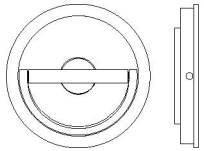
NANZ®

N° 6065

The N° 6065 recessed drop ring pull of clean, straightforward design is suitable for a variety of styles and periods. It is designed as a dummy pull and can be used in conjunction with roller latches. The penannular handle of square cross section pivots from a straight cylindrical bar. All Nanz plated and patinated finishes are available.



Diameter	Projection	Depth
2	1/16	3/8
3	1/16	3/8

For dimensioned drawings or to view a wide range of additional recessed drop ring pulls, see our online catalogue at www.nanz.com.
