

N° 8110 txt 5

The N° 8110 txt 5 cabinet knob combines smooth surfaces with detailed textures to create an aesthetically appealing contrast. The face is detailed with texture No 5 and is framed by a flat surface which falls and steps into an ovolo molding. The N° 8110 txt 5 is available in all Nanz plated and patinated finishes.

Diameter: 1 1/8
Projection: 1 3/8
