

N° 8810

The N° 8810 handle can be mounted horizontally as a drawer pull or vertically as a cabinet pull. A simple bar between two slightly flaring posts forms the handle. The N° 8810 matches well with the N° 8180 cabinet pull and is available in three rod diameters $\frac{3}{8}$ ", $\frac{1}{2}$ " and $\frac{3}{4}$ ". Please note, the desired diameter and the length will determine if the pull is solid or hollow. Please speak to a Sales Associate for more information. All Nanz plated and patinated finishes are available.

Length:	3 ½	4¾	6
Projection:	1⅙	1½	1⅝
Rod Diameter:	⅜	½	¾
