

N° 1937 213

Designed in collaboration with Suzanne Tucker, the Bel Air collection is luxurious “house jewelry” at its best. The N° 1937 Knob features gemstone facets to compliment the precious stone handles throughout the collection. The N° 5937 181 rose mirrors the facets of the knob face, completing the jeweled look. Shown here in Polished Silver, this knob is available in all Nanz plated and patinated finishes, and dual finishes particularly suit this piece. This knob can be provided for use with full mortise entry locks, privacy locks, and passage latches.
