

N° 2938 444

Designed in collaboration with Suzanne Tucker, the Hollywood collection is inspired by the Hollywood Regency style from the first half of the 20th century: sleek and streamlined, deceptively simple yet incredibly glamorous. The N° 2938 lever combines an astragal edge with an organically inspired grip. This minimally detailed handle features soft lines culminating in an upturned, cusped end. The rounded astragal is repeated on the N° 52291 175 rose. Shown here in Burnished Nickel, this handle is available in all Nanz plated and patinated finishes. The lever may be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows.
