

N° 6027R

The San Simeon collection is an homage to Julia Morgan's work at San Simeon's Hearst Castle. The collection exudes the signature elements of Morgan's approach to architecture - embracing outstanding craftsmanship with a keen attention to scale, proportion and detail. The N° 6027R round recessed pull augments a functional design with a roped astragal face. Available as shown or with a thumbturn or with a keyhole cutout, it can be used alone on a sliding pocket door or in conjunction with a deadbolt. Shown here in Burnished Brass, all Nanz plated and patinated finishes are available.
