

N° 8403 175

The Tiburon collection is inspired by the concentric circles of a drop falling into water - fluid and spherical, classic proportions distilled to perfection. The N° 8403 cabinet knob is reminiscent of the Neoclassical 1920s. The face of the knob is broken by a series of steps, diminishing to a cavetto with a boss at the center. The curving profile of the shank is continued by the flaring rose. Shown here in Antique Gold, all Nanz plated and patinated finishes are available.
