

## N° 8110 113

The Hollywood collection is inspired by the Hollywood Regency style from the first half of the 20th century: sleek and streamlined, deceptively simple yet incredibly glamorous. The N° 8810 cabinet knob achieves a modern aesthetic by updating classical molding profiles. The face of the knob is an ogee, which forms a cusp with the edge of the curving side. The N° 8110 is available in all Nanz plated and patinated finishes.
