

## N° 2013

The N° 2013 Georgian lever incorporates molding details of 18th-century Neoclassicism. Here, a plain astragal defines the extremities of the tapering handle, which ends with an ogee-shaped dome. The ogee profile is repeated on the face of the rose. The understated classicism allows the design to be used in a variety of interiors. The lever measures 4-1/8" long with a projection of 2-7/8."

Length: 4-1/8"  
Projection: 2-7/8"
